**Christopher Lamb, and Daniel McNamara earn CTFA designation.**

Old Mission Investment Company is proud to announce that two members of Old Mission have been awarded the Certified Trust Financial Advisor (CTFA) certification through the American Banker's Association Institute of Certified Bankers. This was following the CTFA examination administered by the Institute of Certified Bankers with both members graduating from the National Trust School in October. The CTFA examination qualifies a professional advisor for providing the necessary guidance and counsel concerning trust administration, tax-related investment and estate planning matters in addition to areas surrounding probate and fiduciary responsibilities. Christopher Lamb is the Chief Executive Officer at Old Mission Investment Company, originally co-founding the company in 2006. Daniel McNamara joined Old Mission in 2008, with the firm now serving 400 individual clients with assets under management in excess of \$320 million.
